The BAD Buildings Program is funded by
the Claude Worthington Benedum Foundation
Description of Funding Opportunity

Eight communities are sought for Brownfields, Abandoned, Dilapidated Building Technical Assistance funding. The technical assistance will include professional project support, GIS expertise, and redevelopment planning valued at $10,000 to complete work as specified in the project proposals.

Eligibility*

APPLICANT: Eligible applicants include the following:
  • Unit of local government;
  • Non-profit organization;
  • Government entity created by State Legislature;
  • Redevelopment Agency that is chartered or otherwise sanctioned by the state.

The applicant will define the geographic area to be inventoried and prioritized as part of the program application. Typical areas will be based on municipal, town, community, or county boundaries.

MATCHING FUNDS: Matching funds are not required as part of the BAD Buildings Program. Evidence of matching or leveraged funds, however, may increase the competitiveness of the application.

*Please contact the Northern WV Brownfields Assistance Center for questions regarding applicant eligibility.
Applicant Obligations

1) Capacity for Implementation

Applicants must demonstrate their capacity to manage the activities of the BAD Building Program. Applicants should have successful experiences in leadership, economic development, community development and outreach, and/or capacity-building initiatives.

The applicant must provide a letter of support from the local municipal government indicating the government’s support of the formation of a BAD Building Team as well as nominating at least one elected official to serve on the Team.

The applicant must be capable of completing the work described in the BAD Building Model:

- Forming a BAD Building Team;
- Surveying the community and identifying potential BAD Buildings; and
- Completing a BAD Building Redevelopment Plan.

2) Reporting

- A mid-term report will be due June 30th, 2014. This standardized 2-page report will include a completed activities list and next steps plan for completing the project.

- A final report will be due December 19th, 2014. This report will include a final narrative, a resources leveraged (including volunteers and in-kind) report, a community outreach plan, and a BAD Buildings Redevelopment Plan.
